[REDACTED] has been observed at known underworld hangouts in East Harlem on various occasions. A previous review of his office telephone toll charges reflects calls to SALERNO and COPPOLA in Florida.

In view of the relationship between [REDACTED] and SALERNO, COPPOLA, STRACI, PAGANO and other members of the East Harlem criminal element and his real estate dealings in NY and Florida, it is believed that [REDACTED] would be personally involved in any real estate dealings concerning SALERNO and others.

In addition to developing information re investment of illicit funds into legitimate and front sources, it is firmly believed that vital criminal intelligence information will be developed if a misur were installed in the office of [REDACTED]

Bureau permission is requested by the NYO to survey these premises for the purpose of a misur installation. Authority is also requested to install at the time of the survey, if feasible, in order to limit the number of entries into the building to the minimum.
